

California Education Code and Code of Regulations CD's

All licensed programs in the state of California must comply with all relevant California Education Codes and California Code of Regulations. CCDAA currently has available all Childcare Education Codes and Title V regulations on one convenient CD, and the Title XXII regulations on a separate CD available for purchase.

All CD's have easy to read reference sections and tables of contents.

The CD's are available for purchase for \$40 dollars each for CCDAA Members and \$75 for non-members and will be mailed to your agency. CCDAA is also offering 2 years of updates for \$35.00 for Members and \$60.00 for Non-Members. Updated CD's will be sent out in February of each year. If your agency has already purchased the 2010 version of the Title V and Ed Code CD you may purchase the 2011 update for \$20.00.
